Notes & Additional Information	* Surgical Technology AAS required minimum ACT or COMPASS scores: ACT composite score of 18, or COMPASS – Reading- 81, English- 70, Algebra- 35. * Pre-requisites required minimums on the ACT or COMPASS vary. * Selective Admission Program: Based on the Selective admission criteria I would recommend that all students complete the COMPASS Exam. The Selective admission criteria will use the ACT composite score or COMPASS scores that favors the student. * All pre-requisites must be completed prior to admission to the Surgical Technology Program *The selective admission deadline is June 1st of each year and the program will start in the fall each year. * The program includes a Fall , Spring and a four week Summer semester. *The program is a full-time 5 days a week program. For the first 10 weeks of the program, the program focus is on the classroom/lab skill. During the last 5 weeks of the Fall semester we begin Clinicals and the schedule changes. M, F Lecture , and TWR Clinical, that schedule continues in the Spring semester. The summer semester is 5 days week clinicals and 1 week of Certification Review. * Computer Literacy can be completed via Bypass Exam * The above sequencing for the First year is not required in that order, however the second year is required as stated.
