Name of Degree/Diploma or Certificate	**Surgical Technologist - Diploma**		
Coordinator Contact Information	Name	Kevin R. Craycraft	
	Office	Leestown A-138	
	Office Phone	859-246-6615	
	Email	Kevinr.craycraft@kctcs.edu	
Recommended Sequencing		Courses	Date Complete
	Prior to Start	• Be accepted to BCTC • Submit Transcripts from all other Colleges • Submit ACT and/or Complete COMPASS Exam • ACT scores and COMPASS Scores will impact the student's ability to enroll in the Math courses, English courses and Anatomy & Physiology. Each of these courses has mandatory placement requirements.	
	First Year, Fall	• Computer Literacy (CIS 100 or CIT 105) (0-3 hours) • BIO 135 Basic Anatomy & Physiology or BIO 130 Aspects of Human Biology or BIO 137 Human Anatomy & Physiology I (*Prior to enrolling, all Developmental course must be complete.) • ENG 101 Writing I or Technical Communication • WPP 200 Workplace Principles • Elective such as GE 101, MAI 200, EFM 100, BA 120 plus others (# hours depends on options taken in the curriculum)	
	First Year, Spring	• BIO 139 Human A & P II (if using the 137/139 pathway) • AHS 115 or CLA 131 or OST 103 Medical Terminology • BIO 118 Microbes and Society or BIO 225 Medical Microbiology (can not be taken until BIO 137/139 are complete) or BIO 227 (BIO 226 & BIO 209) Principles of Micro. • Elective (# hours depends on options taken in the curriculum)	
	First Year, Summer	•	
	Second Year, Fall	• SUR 100 Surgical Technology Fundamentals/Theory	

		• SUR 101 Surgical Technology Fundamentals Lab • SUR 103 (Recommended Elective) Surgical Technology Didactic Practicum • SUR 125 Surgical Technology Skills Practicum I • SUR 130 Principles of Surgical Pharmacology	
	Second Year, Spring	• SUR 200 Surgical Technology Advanced Theory • SUR 201 Surgical Technology Skills Practicum II	
	Second Year, Summer	• SUR 275 Surgical Technology Advanced Clinical Practicum	
Notes & Additional Information*	* Surgical Technology Diploma required minimum scores: ACT composite score of 16, or COMPASS – Reading- 76, English- 57, Algebra- 35 (or Pre-algebra- 34). * Pre-requisites required minimums on the ACT or COMPASS vary. * Selective Admission Program: Based on the Selective admission criteria I would recommend that all students complete the COMPASS Exam. The Selective admission criteria will use the ACT composite score or COMPASS scores that favors the student. * All pre-requisites must be completed prior to admission to the Surgical Technology Program *The selective admission deadline is June 1st of each year and the program will start in the fall each year. * Computer Literacy can be completed via Bypass Exam * The above sequencing for the First year is not required in that order; however the second year is required as stated. * The above sequencing is based on full time enrollment. * If developmental courses are needed the above sequence will need to be modified based on student needs. * BIO 130 Aspects of Human Biology is acceptable by KCTCS curriculum, however BCTC Faculty recommends BIO 135 Basic Anatomy & Physiology * The AAS degree can be completed after obtaining the Diploma. By complete the classes required for the AAS. * The program includes a Fall , Spring and a four week Summer semester. *The program is a full-time 5 days a week program. For the first 10 weeks of the program, the program focus is on the classroom/lab skill. During the last 5 weeks of the Fall semester we begin clinicals and the schedule changes. M, F Lecture , and TWR Clinical, that schedule continues in the Spring semester. The summer semester is 5 days week clinicals and 1 week of Certification Review.
