WORKFORCE TRANSITIONS

From Skills To Credentials

A DEVELOPMENTAL JOURNEY

Through a wide range of professional, career and academic courses, Bluegrass Community and Technical College seeks to empower you so that you may enjoy greater economic reward and success in your chosen career path or to equip you to both competently and confidently enter into a new occupational or academic field.

COMPLIMENT ARY COMPONENTS

WORKFORCE SOLUTIONS

Workforce Solutions provides continuing education, recertification, and courses leading to relicensure in a variety of professions. These courses may be offered online or at any of our nine campuses.

WORKFORCE TRANSITIONS

The objective of this initiative is to assist and to encourage both current and prospective workforce students to continue their quest to obtain additional occupational skills and academic credits that lead to credentials via a comprehensive support system.

TRANSITION COORDINATOR

- ❖ Facilitation of workforce students into traditional academic courses leading to credentials via the following processes:
 - a. Course registration assistance.
 - b. Credential completion plan.
 - c. Collaboration with Academic and Student Affairs.
 - d. Proactive coaching. (Monitoring)

In order to be eligible to receive KCTCS credentials, students must satisfactorily complete the mini-mum number of credits required for that credential.

Associates Degree – 60 hours with a cumulative 2.0 GPA

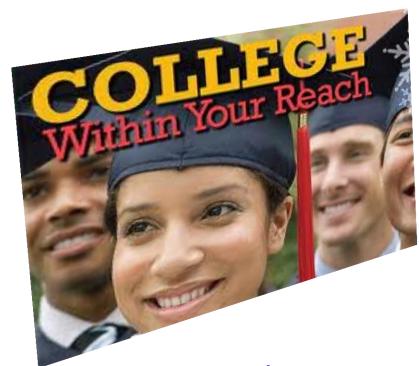

Diplomas – 36 hours with a cumulative 2.0 GPA.

Certificates - Students must satisfactorily complete the approved curriculum with a GPA of 2.0.

Regardless of the time a student has attended the college, at least 25 percent of the approved curriculum credits must be completed at the KCTCS college granting the credential.

FINANCING YOUR EDUCATION

FROM MATRICULATION

TO GRADUATION

The objective of this KCTC initiative is to both encourage and promote the continuation and completion of one's chosen career or academic path.
