

Bluegrass Community and Technical College
Associate in Applied Science
2 + 2 Teacher Preparation Option
Academic Plan Code - 1315017019

The Associate in Applied Science Degree (AAS) in Education, 2 + 2 Teacher Prep, is an option for students who wish to begin coursework at a community and technical college and then apply for transfer admission to a teacher education program at a four-year college or university. In this program technical and support electives are designed to prepare students to fulfill requirements at the College of Education of their choice. Courses may be chosen from the general education core or from approved technical electives. Concentration area courses are designed to give students specific instruction within the area of education in which they are working or aspire to work. Examples would be language arts, math, elementary education or special education.

Course	Course Description	Credit Hours
General Education Core – total hours needed – 31 - 35

	Technical or Support Electives	12
Total Number of Credits Required		61 - 66

Bluegrass Community and Technical College
Associate in Applied Science
Teacher Associate Option
Academic Plan Code - 1315017019

The Associate in Applied Science Degree (AAS) in Education Teacher Associate option is designed to prepare students to work in education classrooms as paraprofessionals and, at the same time, to fulfill requirements at the College of Education of their choice. Technical core courses are designed to increase students' knowledge and ability to work in Kentucky classrooms. General education courses will be chosen from the general education core. Concentration area courses are designed to give students specific instruction within the area of education in which they are working or aspire to work. Examples would be language arts, math, elementary education or special education.
