

## FACT SHEET

**NAME OF PROGRAM** Welding Technology **LOCATION** Danville Campus

**DATE FORM COMPLETED** 4-3-08

**PROGRAM DESCRIPTION** Full day time Program at the Danville Campus. Welding occupations are primarily concerned with joining, surfacing, or repairing structures or parts made of metal or other weldable materials. The skills and knowledge needed to determine the appropriate welding technique required for a specific project and to successfully perform that technique are gained through course work and practical experience.
