

Community & Technical College  
HIGHER EDUCATION BEGINS HERE

## ADVISOR DIRECTORY

To register for Spring 2010 classes during Priority Registration:

1. Locate your program of study and choose an available advisor based on your major, your campus, and your last name.
2. Beginning **October 19**, sign up for a 30-minute advising session on the appointment sheet on the advisor's office door. Advisor office locations and phone numbers are listed next to their names in this list.
3. Meet with the advisor of your choice by Nov. 13 to discuss your academic goals and the pertinent courses for the upcoming semester. Your advisor will lift your advisor hold.
4. Register online in PeopleSoft beginning **October 26**.

Note: If you choose **not** to meet with an advisor between Oct. 26 and Nov. 13, you will have to **wait** until Late Registration in January to be advised and register for the spring. Advising at that time is on a walk-in, first-come, first-serve basis and you may have a wait of an hour or longer.

BCTC is an equal opportunity employer and educational institution.
