Final Examinations are to be administered December 6 - 12.

NO Final Exam shall be given before Sunday, December 6, 2009.

Courses which begin at times other than the times listed above will be considered as meeting at the closest preceding meeting time as listed above.

If a final examination is to be given, it will be administered during the examination period as established by the official calendar for BCTC. In determining the date of the final examination, "classes which meet" refers to the initial class meeting of the normal instructional week (Monday through Friday).

Final examinations may be given at times other than the regularly scheduled time in the following instances:

Faculty: In the case of conflicts or undue hardship for an individual instructor, a final examination may be rescheduled at another time

during the final examination period upon the recommendation of the Assistant Dean of the division and with the concurrence of the Office of Academic Affairs and the Registrar.

Students: Any student with more than two final examinations scheduled on any one date shall be entitled to have the examination for the class with the highest catalog number rescheduled at another time during the final examination period. In case this highest number is shared by more than one course, the one whose departmental prefix is first alphabetically will be rescheduled. The option to reschedule must be exercised in writing to the appropriate instructor no later than one week prior to the last class meeting.

If an examination schedule conflict is created by faculty rescheduling of an examination, the student shall be entitled to take the rescheduled examination at another time during the examination period by mutual agreement with the instructor.

In the case of undue hardship for an individual student, a final examination may be rescheduled by the instructor.
