

## Questions to ask University Representatives

*Compare up to 3 colleges*

1. Is it an advantage to apply early?			
2. What is my first step in applying?			
3. Is my major competitive? How many are accepted in my program?			
4. What can I do to improve my chances of getting accepted into my major? What is the required GPA for my major?			
5. What resources do you offer?			
6. How can I find out what the prerequisites are for my major? How can I speak with an advisor in my major?			
7. Does your university accept mid year admission for my major and program?			
8. What activities are available?			
9. Will your institution honor my repeat options? And how many am I limited to?			
10. How do I schedule a campus tour?			
11. Do I need to complete all my pre-major requirements in order to be accepted to my major?			

Please turn over to see more questions 😊

12. Does your institution offer transfer scholarships to BCTC students? And how do I find out about other scholarships?			
13. When is the best time to apply for financial aid?			
14. After I apply when can I expect to receive notification of my admission?			
15. Will I have an opportunity to meet with an advisor after I have been admitted?			
16. How will my courses transfer to your institution?			
17. How can I learn more about housing? What are my options?			
18. What are your parking options?			

**\*\* Ask the questions that interest you most; feel free to ask any other questions you have in mind.**
